Name Change Request

Student: print names *clearly*

I _____ (name of record) have requested that the name
_____ be printed with my picture in the WCHS 2022-2023 Yearbook.

I understand that, although the students and staff of the WCHS Yearbook class work tirelessly to accommodate all requests, there may be other instances within the 2022-2023 Yearbook that indicate a different name which may have been obtained through the district database.

I understand that these actions are done on a best effort basis, and I will not seek potential reprints of any sections of the WCHS 2022-2023 Yearbook based on name discrepancy.
